INTRODUCTION: SCORING FORMS

CONTENTS AND ORGANIZATION

General Scoring Forms are provided at the beginning of this section and are followed by the Individual Offense Reference Sheets. The General Scoring Forms are categorized according to the twelve types of offender scoring rules: Burglary 1; Residential and Burglary 2; Escape - Scoring Rule 1; Escape - Scoring Rule 2; Felony Traffic; Nonviolent; Nonviolent Sex; Serious Violent; Serious Violent Sex (Rape 1); Violent; Drug; and Violent Sex. Table 5, Offense Scoring Categories (page III-9), displays the crimes in each of these categories. The offenses are also listed on the top of each scoring form. The Individual Offense Reference Sheets are arranged alphabetically. The individual sheets for controlled substances, imitation controlled substances, and legend drug crimes are grouped together. Indexes are provided for each group of forms. Please note that the General Scoring Forms do not present sentencing option eligibility (e.g., work release, work ethic camp). Please refer to Individual Offense Reference Sheets for sentencing options.

The 1990 Legislature created a new finding for crimes committed with sexual motivation effective for crimes committed on or after July 1, 1990. The definition of sex offenses was also amended so that crimes with a sexual motivation finding are defined and scored as sex offenses. On the reverse side of most General Scoring Forms is a corresponding version for offenses in that category with a sexual motivation finding.

LEGISLATIVE CHANGES

The 1997 Regular Session of the Legislature resulted in a number of important modifications to the Sentencing Reform Act and related statutes.

Murder and Manslaughter Sentencing

The Legislature increased the maximum confinement time for Murder 2 at Level XIII, as shown on the new felony sentencing grid that takes effect for crimes committed on or after July 27, 1997 (page I-2). The minimum time in the Level XIII range was not affected for Murder 2.

The Legislature also designated Manslaughter 1 as a serious violent offense, requiring consecutive sentencing with other serious violent offenses under RCW 9.94A.400(1)(b). However, Manslaughter 1 was not included with the other serious violent offenses which are triple-scored as criminal history under RCW 9.94A.360(10). Manslaughter 1 was also increased to a Class A felony and the seriousness increased to Level XI. Manslaughter 2 was increased to a Class B felony and its seriousness increased to Level VIII.

Sex Offense Seriousness Levels

The Legislature increased seriousness levels for sex offenses as follows:

<u>Crime</u>	<u>Level</u>
Rape 1	XII
Rape 2	XI
Rape of a Child 1	XII
Rape of a Child 2	XI
Indecent Liberties with Force	X

The maximum standard-range sentence that may be suspended to permit the use of the Special Sex Offender Sentencing Alternative (SSOSA) was increased from less than 8 years to less than 11 years. As a result, SSOSA may continue to be used in any cases where it would have been available under prior law.

Sex Offenses Against Children

The Legislature added several sex offenses to the list of most serious offenses where the standard range is life imprisonment after convictions on two separate occasions (“Two Strikes You’re Out”). The additional offenses are Rape of a Child 1 (where the offender was age 16 or older at the time of the offense), Rape of a Child 2 (where the offender was 18 or older), Child Molestation 1, Homicide by Abuse with sexual motivation, and Assault of a Child 1 with sexual motivation.

The Legislature authorized an exceptional sentence above the standard range if the offense resulted in the pregnancy of a child victim of rape, and also required payment of medical expenses and child support (extending the court’s jurisdiction to 25 years after sentence or release from confinement) as restitution for Rape of a Child 1, 2, or 3 that results in the victim’s pregnancy.

Offender Registration

It is an unranked Class C felony for an offender convicted of a Class A felony sex offense to fail to register as required under RCW 9A.44.130. It has been a gross misdemeanor for an offender convicted of a Class B or C felony sex offense to fail to register. The Legislature increased Failure of a Class B or C Sex Offender to Register to an unranked Class C felony. Therefore it is a felony for any felony sex offender to fail to register.

The Legislature extended registration requirements under RCW 9A.44.130 to include offenders convicted of Kidnapping 1 or 2 or Unlawful Imprisonment, where the victim was a minor and the offender was not the victim’s parent. Registration requirements were also extended to those convicted of Sexual Exploitation, Dealing in Depictions of a Minor, Sending or Bringing into State Depictions of a Minor, Communicating with a Minor, Patronizing a Juvenile Prostitute, or Sexual Misconduct 2.

JuvenileCriminalHistory

Certain adjudications in juvenile court have not been counted as history for adult sentencing purposes if they were committed before age 15 and the offender is age 23 or older. Effective July 1, 1997, all felony adjudications in juvenile court must be counted as criminal history for purposes of adult sentencing, except under the general “washout” provisions that have applied to adult offenses. However, some juvenile offenses continue to be scored at ½ point as under prior law.

Unlike most adult felonies, juvenile offenses are normally sentenced consecutively. Previously, juvenile offenses sentenced on the same day have been counted as one offense in calculating history for purposes of adult sentencing. The Legislature now requires that these offenses be counted separately unless they constituted the “same criminal conduct” as defined in RCW 9.94A.400(1)(a).

Drive-by Shooting

The Legislature redesignated Reckless Endangerment 1 as Drive-by Shooting and classified it as a violent offense. Reckless Endangerment 2 becomes Reckless Endangerment. These changes take effect July 1, 1997.

Offenses Involving Explosives

The Legislature redefined offenses involving placement of explosive devices and damaging property by explosion, and also increased the seriousness levels for such offenses (see Table 4). Two offenses, Malicious Explosion 2 and Malicious Placement of an Explosive 1, were placed at Level XIII. However, the bottom of the standard range for these offenses may not be less than 75% of the top of the range.

Offender Supervision

Crime-related prohibitions in sentences may not require the offender to perform affirmative conduct. However, the Legislature has clarified that the Department of Corrections (DOC) may require offenders to perform conduct necessary to monitor their compliance with these prohibitions, such as submitting to polygraph or drug testing.

The Legislature also clarified that earned early release credit is not available while serving a suspended sentence under SSOSA, and authorized DOC to impose appropriate conditions of community custody, in addition to those imposed by the court, on all offenders serving sentences involving community custody for crimes committed on or after June 6, 1996.

In addition, the Legislature required DOC to supervise offenders’ compliance with legal financial obligations for 10 years after the sentence or release from confinement (whichever is later), and

authorized the court to extend its jurisdiction (but not DOC's supervision responsibility) another 10 years if the obligations are not paid within the first 10 years.

Drug Provisions

The Legislature prohibited suspension of the first \$3,000 of any fine for Manufacture, Delivery, or Possession with Intent to Manufacture or Deliver Methamphetamine or for Possession of Ephedrine or Pseudoephedrine with Intent to Manufacture Methamphetamine. This \$3,000 must be applied to the law enforcement entity responsible for cleaning up methamphetamine laboratory sites.

The Legislature authorized local governments to designate public housing areas as “drug free zones,” doubling the statutory maximum sentence and adding two years to the standard range for violations of the Uniform Controlled Substance Act occurring in those areas.

School Notification

The Legislature required that the court notify the principal of any public school in which an offender is enrolled, when the offender is convicted of violent, sex, or Violations of the Uniform Controlled Substance Act (VUCSA) offenses, or of any degree of Assault, Reckless Endangerment (including Drive-by Shooting), Coercion, Promoting a Suicide Attempt, Malicious Harassment, Assault of a Child, Kidnapping, Unlawful Imprisonment, Custodial Interference, Harassment, Stalking, Arson, Reckless Burning, or Malicious Mischief.

Changes to Specific Offenses

The 1997 Regular Session of the Legislature enacted various laws affecting specific felonies sentenced under the Sentencing Reform Act. These changes created new felonies, eliminated others, amended felony classes and seriousness levels, and changed the definitions of some offenses. These changes, including effective dates, are reflected in the felony lists in Section IV and summarized in Table 4 of this section.

SENTENCE RANGES FOR ANTICIPATORY DRUG OFFENSES

The appropriate sentence ranges for anticipatory offenses (attempts, solicitations, and conspiracies) involving violations of the Uniform Controlled Substances Act (VUCSA) have been clarified through a series of court decisions and legislative actions. Table 6 presents the current status of statute and case law on appropriate sentence ranges for anticipatory violations of the Uniform Controlled Substances Act.

Table 6. Sentence Ranges for Anticipatory Drug Offenses

	SENTENCE RANGE	STATUTE
Attempt Delivery	Unranked (0 to 12)	RCW 69.50.407
Possession	Unranked (0 to 12)	RCW 69.50.407
Solicitation* Delivery	75% of Standard Range	RCW 9A.28.030
Possession	75% of Standard Range	RCW 9A.28.030
Conspiracy Delivery	Unranked (0 to 12)	RCW 69.50.407
Possession	Unranked (0 to 12)	RCW 69.50.407

*Solicitations drop one class from the underlying offense (e.g., a solicitation to commit a Class B felony is a Class C felony). Solicitations to commit Class C felonies are gross misdemeanors.

RELEVANT STATUTES

RCW 9A.28.020 Criminal attempt. (1) A person is guilty of an attempt to commit crime if, with intent to commit a specific crime, he does any act which is a substantial step toward the commission of that crime.

(2) If the conduct in which a person engages otherwise constitutes an attempt to commit a crime, it is no defense to a prosecution of such attempt that the crime charged to have been attempted was, under the attendant circumstances, factually or legally impossible of commission.

(3) An attempt to commit a crime is a:

- (a) Class A felony when the crime attempted is murder in the first degree or arson in the first degree;
- (b) Class B felony when the crime attempted is a Class A felony other than murder in the first degree or arson in the first degree;
- (c) Class C felony when the crime attempted is a Class B felony;
- (d) Gross misdemeanor when the crime attempted is a Class C felony;
- (e) Misdemeanor when the crime attempted is a gross misdemeanor or misdemeanor.

RCW 9A.28.030 Criminal solicitation. (1) A person is guilty of criminal solicitation when, with intent to promote or facilitate the commission of a crime, he offers to give or gives money or other thing of

value to another to engage in specific conduct which would constitute such crime or which would establish complicity of such other person in its commission or attempted commission had such crime been attempted or committed.

(2) Criminal solicitation shall be punished in the same manner as criminal attempt under RCW 9A.28.020.

RCW 9A.28.040 Criminal conspiracy. (1) A person is guilty of criminal conspiracy when, with intent that conduct constituting a crime be performed, he agrees with one or more persons to engage in or cause the performance of such conduct, and any one of them takes a substantial step in pursuance of such agreement.

(2) It shall not be a defense to criminal conspiracy that the person or persons with whom the accused is alleged to have conspired:

- (a) Has not been prosecuted or convicted; or
- (b) Has been convicted of a different offense; or
- (c) Is not amenable to justice; or
- (d) Has been acquitted; or
- (e) Lacked the capacity to commit an offense.

(3) Criminal conspiracy is a:

- (a) Class A felony when an object of the conspiratorial agreement is murder in the first degree;
- (b) Class B felony when an object of the conspiratorial agreement is a Class A felony other than murder in the first degree;
- (c) Class C felony when an object of the conspiratorial agreement is a Class B felony;
- (d) Gross misdemeanor when an object of the conspiratorial agreement is a Class C felony;
- (e) Misdemeanor when an object of the conspiratorial agreement is a gross misdemeanor or misdemeanor.

RCW 9A.410 Anticipatory offenses. For persons convicted of the anticipatory offenses of criminal attempt, solicitation, or conspiracy under chapter 9A.28 RCW, the presumptive sentence is determined by locating the sentencing grid sentence range defined by the appropriate offender score and the seriousness level of the crime, and multiplying the range by 75 percent.

In calculating an offender score, count each prior conviction as if the present conviction were for the completed offense. When these convictions are used as criminal history, score them the same as a completed crime.

RCW 69.50.101(f) "Deliver" or "delivery" means the actual or constructive transfer from one person to another of a controlled substance, whether or not there is an agency relationship.

RCW 69.50.407 Conspiracy. Any person who attempts or conspires to commit any offense defined in this chapter is punishable by imprisonment or fine or both which may not exceed the maximum punishment prescribed for the offense, the commission of which was the object of the attempt or conspiracy.
